Tannenbaum Helpern recognized as top ranked US law firm

New York, NY, April 13, 2015—American Lawyer Media (ALM) has recognized [Tannenbaum Helpern Syracuse & Hirschtritt LLP](#) as a [2015 top ranked US law firm](#). ALM, publisher of the *National Law Journal*, *Corporate Counsel*, *The American Lawyer* and *New York Law Journal*, produces an annual list of Top Ranked Law Firms™ that recognizes law firms with exceptional talent. The 2015 top ranked law firms list was published in the January 2015 edition of *FORTUNE Magazine*.

To compile a list of top law firms in the US, ALM partnered with Martindale-Hubbell. Martindale-Hubbell researched its database of over 1 million lawyers and firms in over 160 countries and identified US law firms of 10 or more attorneys, where at least 33 percent of the law firm's lawyers have achieved the AV Preeminent Peer Review Rating, which indicates the attorney has demonstrated the highest level of ethical standards and legal ability. Firms featured on the annual list may vary in practice but all share the distinction of being staffed with attorneys of the highest caliber.

"It is an honor to receive this recognition. At Tannenbaum Helpern, we take pride in the extraordinary legal talents of our attorneys, as well as the business insight they bring in counseling our clients," said [Joel S. Hirschtritt](#), Tannenbaum Helpern's managing partner.
