## ABOUT US

JAMIE MACLEAN  
PRESIDENT AND FOUNDER

### who we are

**PetalandPost.com** is an e-boutique offering an authentic collection of the world's finest luxury, organic, natural, small-batch and ethically crafted products.

### the story

With the rise of synthetic chemicals dominating the formulations of big brands and products posing as organic, founder Jamie MacLean saw a need and a demand for clean living through the consumption of truly ethical and safe beauty, home, baby and wellness products.
