**Hawthorne Power Systems Announces Component Plus Extended Service Coverage**  
*Protect Your Cat On-Highway Truck Engines & Components*

**San Diego, CA** – Hawthorne Power Systems, the exclusive Cat<sup>®</sup> dealer in San Diego, is proud to announce another way for customers to protect their investment. With the Component Plus Extended Service Coverage (ESC) for On-Highway Truck Engines, San Diego customers have the opportunity to purchase up to 4 years of unlimited mileage coverage on qualified parts. With the Component Plus ESC, 100% of parts and labor charges are covered for failures caused by defects in materials or factory workmanship under normal use and service.

Bob Hutter, Parts Manager, says, “Component Plus Extended Service Coverage enables you to avoid down-time of unexpected repairs and ensure repairs are performed by factory-trained technicians using Genuine Cat Parts. Additionally, your equipment will meet current safety and emissions requirements with original operating engine specifications.” Hutter concludes, “Best of all, whether your Cat On-Highway Truck engine is new, used or needs rebuilding, our Component Plus Coverage can be customized to meet your needs.”

Visit [www.hawthornecat.com](http://www.hawthornecat.com) or contact a Hawthorne Parts Sales Representative at 800.437.4228 for complete details. Component Plus ESC is valid for San Diego Customers Only.

**About Hawthorne Power Systems**

Hawthorne Power Systems is the authorized Cat dealer in San Diego, Hawaii, Guam, Saipan and American Samoa. Hawthorne provides sales, rentals and services for the power generation, marine, trucking and other engine-related markets. It has outstanding skills in building, rebuilding and packaging engines and power systems of all sizes, ranging from truck engines and turn-key generator plants to cogeneration and standby power. For more on Hawthorne Power Systems, visit [www.hawthornecat.com](http://www.hawthornecat.com).
