UV Floor Cure Training

Philadelphia Floor Store is Offering Complimentary Training on UV Floor Cure.

When: May 7, 2015 | **2 Sessions:** 9:30am -11:30am & 1:00pm - 3:00pm

Where: Philadelphia Floor Store Showroom

Bob Lesko, of HID, and Micah Petersen and Larry Smith, of Basic Coatings, will provide training on the HID Ultraviolet Floor Cure System.

Learn how HID Ultraviolet machines make the transition to UV technology smooth and easy for hardwood floor contractors.

When used with Basic Coating's LightForce™ – a site applied UV water-based technology designed for fast turnaround – HID Ultraviolet Floor Cure is a breeze!

Come learn with us! We're confident that having this system in your arsenal will make you more money and help you satisfy more customers!

For more information and to register, call PFS at 800-737-1786.
