

FOR IMMEDIATE RELEASE

COMPANY PROFILE

UTECH CONSULTING, INC.

Northern Wisconsin based company founded in 1991 by Ken Utech. Highly trained staff of organizational development experts, including four members of the Utech family, provide a wealth of knowledge, experience and proven results.

CUSTOMIZED ORGANIZATIONAL DEVELOPMENT

Our process provides the tools to:

- create team, organizational and cultural alignment
- unleash individual and leadership potential
- resolve people issues
- hire for fit, integrate needed talent and reduce turnover
- develop in-house experts to become self-sufficient

OUR UNIQUE APPROACH

We DISCOVER the root causes of problems that prevent growth. Then DEVELOP a solid structure of strong leaders with high-functioning teams. To DELIVER lasting results that change people's lives.

Utech Launches New Website

April 27, 2015 — De Pere, WI

Utech Consulting, Inc. is pleased to announce the release of their newly designed website. Now it's easier to navigate and find the latest information about their customized organizational development services.

Founded in 1991, Utech works with clients across the country to break down the relational barriers that limit personal and professional performance and growth. Utech's proven interactional focus delivers results, getting at the root of problems quickly.

Their Customized Organizational Development Process provides businesses and organizations the tools to resolve people issues, create strong teams, develop leadership potential, and hire the right people for the right job.

Utech has also partnered with trusted business experts to provide complementary services clients may need before or after they work with Utech. Resources include health and wellness, people development and strengthening families.
