

STAFF ICONS, LLC.

"Reaching New Heights in Recruitment"

What Is STAFF ICONS?

We are Recruitment/Staffing leaders within the Biotech/Scientific industry. We specialize recruiting within this niche and have built a valuable network of well renowned professionals and leaders that we represent and source through in order to fill the staffing requirements of our reputable clientele within this arena nationwide. Due to the exceptional reputation we have established within this industry — we have become the first “go-to” recruitment firm nationwide for biotech/scientific recruitment needs!

What Makes STAFF ICONS-Scientific Recruitment Division An Industry Expert?

Our dedicated Recruiters are specialty focused. We'll conduct a contingency-based search to fill a permanent “Direct Hire” position or deliver a qualified professional for a “Temporary Assignment”. Plus, we ensure a fast turnaround due to our large database of well renowned scientist that we represent and streamline the hiring process to keep your facility or practice functioning at full capacity and your revenue at optimal levels. Our Recruitment Team at Staff Icons, recognizes our continuous commitment to exceeding the highest standards in Biotech/Scientific recruitment/staffing nationwide and make sure we find you the right candidate the first time around.

What Does It Cost To Use Our Services?

It costs you nothing to use us until you decide to hire one of the candidates that we present. At that point, we charge you a 20% Direct Hire Fee against the salary that the Candidate is offered and accepted (Example: \$35K Salary x 20%=\$7k Direct Hire Fee). We then back it up with a 90 Day Guarantee - If the candidate does not work out within that time period we will replace them at no additional charge-guaranteed!
