

VNA Volunteer Opportunities

Looking for a fulfilling and rewarding volunteer opportunity for your self, a friend, or family member? Consider volunteering with VNA! We offer a variety of volunteer programs that benefit seniors in your community. Make a difference by volunteering your time and services to someone in need.

Grocery Shopping for the Homebound

The House Call Groceries for Seniors program provides assistance to homebound residents in Morris County. Volunteers are asked to shop about once a week based upon client needs. By providing this service, you can make a difference for an elderly neighbor for whom shopping has become a difficult task and, in the process, offer that neighbor a break from the isolation of being homebound.

Become a Hospice Volunteer

Hospice volunteers assist in providing terminally ill patients and their families with practical and emotional support. VNA offers a free, comprehensive training program where you'll learn the philosophy of hospice and become prepared for this rewarding work.

2015 trainings will be held on the following dates from 10:00 AM to 2:30 PM at Visiting Nurse Association of Northern New Jersey's headquarters, located at 175 South Street, Morristown:

- Saturday, February 28th
- Saturday, May 16th
- Saturday, September 19th
- Saturday, November 14th

Hospice volunteer applicants must be 18 years or older, possess a valid driver's license and auto insurance and pass a criminal background screening. Applicants will be briefed on further compliance requirements prior to the training.

Friendship House

VNA's social adult day center, provides a warm and caring environment for adults with mild to moderate cognitive impairment.

Since 1898, Visiting Nurse Association of Northern New Jersey (VNA) has been a leading provider of comprehensive home health care services. Residents of Morris and Hunterdon counties know that one call to VNA opens the door to quality, patient-centered home health care solutions that allow patients to remain in the comfort of their homes with dignity, health and independence.
