**Staff Management | SMX Ranked #1 Global MSP Provider for Breadth of Service by HRO Today**

*Buyers Recognize Staff Management | SMX as Leading MSP Provider on Baker's*

*Dozen Six Years Straight*

CHICAGO, IL – May 19, 2015—Staff Management | SMX today announced that it has been ranked a leading Managed Service Provider (MSP) by buyers on HRO Today's MSP Baker's Dozen for the sixth straight year. The company was ranked first in the breadth of service category and third overall for its global MSP programs on the 2015 list.

“Staff Management | SMX's performance on this year's Baker's Dozen demonstrates its ability to deliver even the most complex MSP solutions,” said Elliot Clark, CEO and Chairman of SharedXpertise and HRO Today. “As the MSP landscape continues to evolve, the ability to deliver large, multi-faceted programs without sacrificing quality is increasingly critical to buyers.”

Staff Management | SMX has been recognized on the annual MSP Baker's Dozen list since 2010. HRO Today's MSP Baker's Dozen is the only industry ranking based on customer satisfaction ratings and has become a go-to source for staffing buyers. Rankings are determined through the collection and analysis of customer satisfaction surveys across three subcategories – deal size, service breadth and quality.

“Building outsourcing solutions that deliver sustainable value for our clients is our mission at Staff Management | SMX,” said Joan Davison, president of Staff Management | SMX. “We are grateful to our clients for this recognition of our dedication to helping them get the most out of their contingent labor programs in the changing world of work.”

As a leading global MSP provider, Staff Management | SMX partners with its clients to align talent needs with business objectives to drive return on investment across the entire talent supply chain. The company's innovative inside-out approach, commitment to continuous improvement and award-winning business model put client needs at the center of everything the company does.
