Icynene announces new Chief Financial Officer

Mississauga, ON. 2 June 2015. Spray foam insulation manufacturer, Icynene is pleased to announce the appointment of Bill Sommers, who joins the company's executive management team as Chief Financial Officer. Mr. Sommers assumes responsibility for the spray foam manufacturer's internal and external financial responsibilities globally.

Mr. Sommers brings more than 20 years of financial leadership and management experience to the role, most recently as Chief Financial Officer for CP Flexible Packaging Inc., a private equity-sponsored manufacturer of flexible plastic packaging. During his career, Mr. Sommers has held senior financial positions with Ametek (*NYSE: AME*), Accusort Systems, a Danaher Operating Company (*NYSE: DHR*) and ICI PLC.

"Icynene is thrilled to welcome Bill to the role as Chief Financial Officer. Bill brings a wealth of knowledge and understanding to the role that will help continue to streamline processes and functionality while allowing the company to maintain its sustained growth in the building material category," said Howard Deck, Icynene President and CEO.

"I am delighted to be joining a growing and globally recognized company like Icynene. Icynene is truly evolving the insulation category with its product innovation and forward thinking. I look forward to contributing and being part of this exciting phase," said Mr. Sommers.

Mr. Sommers holds an MBA from the University of Delaware and is a Certified Public Accountant.
