Hawthorne Cat Announces Summer Operator Training Schedule
Classroom and Stick-Time Training for Cat Equipment Operators

San Diego, CA – – Hawthorne Cat, the exclusive Cat® equipment dealer in San Diego and the Pacific Region, announces the summer schedule for equipment operator training. Ron Lyons, Hawthorne Cat Certified Dealer Instructor is currently offering courses for current models of Cat Hydraulic Excavators, Wheel Loaders, Backhoe Loaders, Skid Steer Loaders, Telehandlers, Motor Graders, and Track-Type Tractors.

The classroom and stick-time training educates students on how to safely operate and maintain their equipment. Participants who successfully complete each training course will receive a certificate of completion and a verification card that ensures they meet their safety officer's requirements to work on government jobs and construction projects.

Ron Lyons says, "The operator training courses are open to operators of all skill levels. Whether you're an entry-level operator or you have been operating equipment for decades, our training courses give operators the opportunity to refresh their techniques and learn the latest technology. Understanding how to properly use the systems that are available for Cat Machines can greatly improve your jobsite productivity." Lyons concludes, "Best of all, Course curriculum can be customized to meet your needs. Each course is limited to six participants per session, so register today!"

Visit the Hawthorne Cat website to register for upcoming training courses. Contact Ron Lyons at 858.647.7047 or rlyons@hawthornecat.com for more information.
