# COMPLETE HOSPITALITY SCHEDULING AND GRATUITY PAYROLL

Evention and Celayix Software have launched an integrated package that will allow hotels, casinos, and convention centers to schedule employees with Celayix and have those schedules directly link to Evention Tips & Gratuities to automate gratuity payroll.

Celayix Software
Workforce Management Solutions

Custom Banquet Event Scheduling and Time & Attendance

Automated Schedule to Gratuity Payroll Integration

Payroll Integration complimented by complete reporting

Gratuity distributions are automatically calculated

Tips & Gratuities
by EVENTION

The partnership cohesively integrates scheduling to payroll, eliminating the reentry of data and greatly increasing payroll accuracy. The result is more precise gratuity payroll in less time based on optimized scheduling.
