

Health Care Buying Power by SelectAccount

Today you are faced with the challenge of not only saving for health care expenses but also being a savvy health care shopper as well. You want a way to make decisions based on what's important to you, whether that be cost of care, best treatment options available or your peer support network. *WalletDoc's* unique suite of consumer tools lets you shop for health care like you shop for anything else, putting the power of decision in your hands where it belongs. This robust platform of consumerism tools is built into our Online Member Service Center, easily available from the same page where you check your balance and pay claims. Wherever you are along the continuum of care, from considering treatment options, to selecting a care facility, and seeking savings or financial help for expenses already incurred, *WalletDoc* is there to guide you.

CustomerSolutions@SelectAccount.com

www.SelectAccount.com

SelectAccount is one of the country's leading HSA administrators. Your HSA dollars are deposited with SelectAccount, and we make sure you get your money quickly when you need to pay for a health care expense.

SelectAccount has over 25 years of experience in health care financing, and what's more, our account holders consistently give SelectAccount a satisfaction rating of over 95 percent.

WalletDoc

Decision Support

THE TOOLS

- Evaluate health care treatment options based on clinical outcomes
- Alternative for 175 conditions, therapies, prescription drugs and medical procedures

HOW IT HELPS

Not only provides consumers with comprehensive treatment information but assesses each treatment option based on clinical outcome data, effectiveness, cost, difficulty and popular preference.

Compare Costs

THE TOOLS

- Compare hospital procedure costs by facilities in your area
- Compare diagnostic test prices by facilities in your area

HOW IT HELPS

Gives consumers a range of pricing options based on type of procedure or test. This allows consumers to choose care from a provider that fits with their budget.

Online Care

THE TOOLS

- Real Doctors, Real Care
- Over 100 conditions treated
- Available in 40 states:
Consultations only (CO, NJ, ID, TN, IN, NH)
No service (AK, TX, AL, AR, LA)

HOW IT HELPS

Save time and money with online health care service treating common conditions.

Medical Discount

THE TOOLS

- Vision/Dental
- Prescription drugs
- Lab tests
- Diabetes Care and Supplies
- Hearing
- Wellness
- Health Library

HOW IT HELPS

The discount card* provides discounts for dental and vision visits, prescription drugs, wellness programs, labs, surgical centers, and more.

* WellCard Health is a FREE offering of WellDyneRx. There is no charge, obligation or special condition to participate or use WellCard.

Medical Bill Negotiation

THE TOOLS

- Service negotiates with providers after insurance has been paid
- They only charge if they save you money

HOW IT HELPS

Get help from experts to negotiate medical bills, payment scheduling, and understand the billing and claims process.

Financial & Peer Support

THE TOOLS

- Peer Mentoring Program
- Ask & Answer — join peers in conversation about care and costs
- Online Fundraising Tool

HOW IT HELPS

Join a community of consumers who have experience with a variety of medical conditions and procedures. The online fundraising tool allows users to set up a fundraising campaign and get financial support from their peers, family, and friends to pay for large medical expenses.

Health Management Tools

THE TOOLS

- HSA Education
- Care & Cost Tips and Articles
- Health Care Reform Updates

HOW IT HELPS

Learn about managing your HSA and health care while staying up to date on the latest news in health care reform.
