

## **Edvance360 LMS-SN partners with Elightenment Learning™, Providing Turn-key, Customizable Content for Corporate Training Programs**

Edvance360 LMS-SN, today announced a partnership with Elightenment Learning™, a leading provider of interactive, SCORM compliant corporate training courses.

**(Virginia Beach, VA – June 2015)** Edvance360, a leading provider of eLearning services and software solutions and a CODiE 2015 (and 2011) winner for Best Learning Management System, announced a partnership with Elightenment Learning, to provide a turn-key, comprehensive elearning package. This partnership brings together the best in learning management systems and quality courses from the Elightenment’s eCourse Library. For a simple, all-inclusive subscription fee, Edvance360 clients gain access to unlimited, interactive SCORM-compliant course modules easily downloaded into their Edvance360 system. Clients will get access to courses in:

- Human Resources
- Leadership
- Management
- Occupational Safety
- Project Management
- Sales and Marketing
- And more!

The eCourse Library is constantly updating and expanding topics, making it a valuable resource to any corporation. There is no limit to the number of courses accessed. Elightenment Learning shares the source files with clients, enabling them to customize the content as needed.

“This integration benefits our customers by making courses available in an affordable, easily importable way,” said Cathy Garland, Vice President of Marketing & Sales. “We are delighted to announce this partnership and look forward to seeing our clients take advantage of this opportunity to shore up their own internal, employee-facing training, update out-of-date material, and eradicate those pesky corporate employee problems such as low retention numbers, high onboarding costs, etc. And, really, Elightenment Learning’s offer to provide the actual source files of the content is unparalleled. It demonstrates their commitment to eLearning in the long run.”

“Elightenment Learning is proud to announce our integration with Edvance360’s award winning online learning management system,” said Michael Finney, Elightenment Learning’s Founder. “By leveraging our engaging courses, with the powerful system of the Edvance360 LMS, organizations can deploy courses quickly and efficiently throughout an organization. Companies can reduce development costs, while ensuring their students are receiving quality training.”

We invite you to consider joining Edvance360. We offer:

- **Third-Party Integrations** – Edvance360 is constantly partnering with third-party vendors, such as eLightenment Learning, video conferencing providers, LTI-compliant vendors, and more.
- **Unparalleled Personal Support** – Edvance360 is a demonstrated leader in its commitment to personalized support for its clients, shown by our consistent rave-winning reviews.
- **Affordable Pricing** – Edvance360's pricing is significantly lower than any of the other commercial vendors. Pricing is well below competitor prices.
- **Social Learning** – Edvance360 was one of the first to coin the term “social learning” and have been on the front lines developing the tools that engage learners. These include a secure social network, wikis, collaborative communities, adaptive learning, and more.
- **Gamification** – Edvance360 is integrated with Credly™ Open Badges, making badges not only something learning acquire within the LMS, but also demonstrable in ePortfolios, blogs, websites, social networking sites, etc.

### **About Edvance360**

Edvance360 is an Internet-based Learner Management System (LMS) and secure social network that enables institutions to implement a successful online academic or training program. Edvance360 equips schools, corporations, and organizations to host online learning, implement hybrid courses, and revitalize in-person training sessions. Edvance360 was designed by educators for educators, with insight provided by many of the leading educational design experts.

Our clients enjoy a high return on their investment, personalized support, and customizable solutions. We do not believe a one-size-fits-all approach is beneficial to our clients, so we are committed to adapting Edvance360 to fit the needs of the rapidly changing world of learning.

Edvance360 is headquartered in Virginia, with operations North Carolina and Georgia. For more information, please visit [Edvance360.com](http://Edvance360.com) or call 866-458-0360. ### **About Elightenment Learning**

Elightenment Learning (LLC) provides both public and private sectors with Web-based eLearning solutions. During our 7 years in business, we have continued expanding and offering exceptional virtual learning through our professional education technology. In addition, we are educators ourselves, who understand how to best utilize innovative technology and design techniques to make eLearning understandable, easy to use, and affordable. We have programs to fit any budget.

There is a point where art, technology, and learning converge. When the three do, amazing learning takes place. Not in a mediocre way, but with a disruption in the way we view the world around us. We want to wipe out boring training and we can help you do the same.

With headquarters and incorporation in Kohler, Wisconsin, we provide learning solutions, and course design.
