**TERACLE, Inc. Unveils New Head-Mounted Display Education Solution
in Silicon Valley July 22nd**

SAN JOSE, CA— (July 15, 2015) Teracle, Inc., an education IT company, will showcase their head-mounted display in Silicon Valley in their main office located at 3003 N. First Street, San Jose in the KOTRA building on July 22nd from 2-4 PM in the Oregon Room. Teracle invites everyone to come and experience TeraGlass for themselves. To attend the event: [Register Here](#) or contact debbiekim@teracle.com

This product showcase and networking event will include presentations about Teracle, Inc. and the TeraGlass, meetings with the staff to discuss business partnership opportunities, live demos of the TeraGlass, and question and answer (Q/A) sessions.

[Teracle, Inc.](#) hosted its first look showcase of the [TeraGlass](#) at a successful event held at the Ritz Carlton Hotel in New York on July 7, 2015. The head mounted display (HMD) solution received high positive feedback from investors, educators and technicians alike for its portability, high quality display and 3D capabilities. The device delivers an immersive visual experience, which can be fully customizable, wearable and hands free. Attendees of the New York event were able to test the TeraGlass through live demonstrations and participate in Question and Answer sessions and presentations.

About TeraGlass
