

FOR IMMEDIATE RELEASE

**Announcing CPA ProSecure: New Errors and Omissions Insurance Program for Accounting Firms**

North American Professional Liability Insurance Agency, LLC (NAPLIA) is pleased to announce an exclusive Errors and Omissions insurance program designed specifically for accounting and consulting firms called CPA ProSecure.

August 3, 2015 – Framingham, MA - North American Professional Liability Insurance Agency, LLC (NAPLIA) is pleased to announce an exclusive Errors and Omissions insurance program designed specifically for accounting and consulting firms called CPA ProSecure.

CPA ProSecure is underwritten by The Rockhill Insurance Group a wholly owned subsidiary of the State Auto Group, rated A-Excellent by A. M. Best. State Auto Group. Founded in 1921, is one of only 59 companies to have an A.M. Best rating of “A” for 75 years. State Auto has provided 96 consecutive quarters of dividends.

NAPLIA insures 1000’s of accounting firms in all 50 states. John Raspante, CPA, MST, CDFA heads up our Risk Management team and Ralph Picardi our Hot-line Attorney/CPA heads up our legal team. Both regularly assist all clients in best practices, claims mitigation and engagement letters as well as website reviews.

*“We sat down last year and created a wish list of the important features we wanted to enhance in our professional liability program. We used this as the foundation for CPA ProSecure. We chose Rockhill Insurance because they embraced our vision and supported our desire to provide a more comprehensive program.” – Stephen Vono, CFO/Principal*

NAPLIA offers “more than just a policy” See our website for additional resources:
