DOXTEK NAMED PARTNER OF THE YEAR BY ARMA UTAH
Industry Leading Enterprise Content Management Company, DoxTek, has been nominated ARMA Partner of the Year

Orem, UT – August 10, 2015 - DoxTek, Inc., an award-winning enterprise software solutions company, is pleased to accept the award for ARMA Utah–Salt Lake Chapter's Partner of the Year. Additionally, DoxTek highlights their own Business Analyst, Craig Young, who was named ARMA Utah–Salt Lake Chapter Member of the Year.

DoxTek's initiative and commitment to records management greatly impressed ARMA Utah–Salt Lake Chapter President, Mr. Howard Loos. He stated, "DoxTek and their team members have been both innovative and insightful, showing our chapter members how to manage information governance in the Cloud. Throughout the past year, DoxTek has shown the highest level of contribution to local chapter activities by supporting and promoting ARMA International objectives. We are grateful for their continued support and contribution to the ARMA mission."

Mr. Craig Young, DoxTek Business Analyst, also shares a great part in this commitment and knowledge of records management. Mr. Young plays a vital role in the development and growth of DoxTek, Inc, helping to improve the company's record management and storage solutions, such as DoxTek's Cloud (http://doxtek.com/technology/doxtek-cloud/). He stated, "I am honored to be selected as the ARMA Utah–Salt Lake Chapter Member of the Year…I extend a sincere thank you to each chapter member for their helping me to progress in the records information management profession."

For over 15 years, DoxTek has developed a reputation for implementing high quality solutions for their 400+ customers nationwide. Aside from dedication to their customers, DoxTek continues to be committed to each of their partners and appreciates the opportunity to be actively engaged with ARMA and other outstanding professional associations. With locations in Salt Lake City, Utah; Atlanta, Georgia; Los Angeles, California; and Denver, Colorado, DoxTek works to be active in regional and national industry and executive organizations.
