

## Get to Know Allegient

With offices in Indianapolis and Chicago, Allegient is a business information technology consulting firm focused on translating business challenges into technology solutions. As Microsoft go-to Partner with all Gold & Silver Competencies, Allegient has been the consultant of choice for many enterprise level clients since its inception in 2001.

The firm's unique approach brings business knowledge and expertise to the table first by uncovering the business driver and needs, and then advises on the best technology solution. Allegient's impressive growth has been attributed to its dedication to client service, and the company's ability to deliver proven results by leveraging cutting-edge technology.
