

For Immediate Release – September 1, 2015

## **Anthem's FNTSY Sports Network Now Available to Rogers TV Customers**

**Toronto – Anthem Sports & Entertainment Corp.** announced today that **Fantasy Sports Network (FNTSY)**, the world's first and only channel dedicated 24/7 to fantasy sports, is launching its multi-platform sports service on **Rogers Cable** on Sept. 1, 2015, making the channel available to Rogers Cable TV customers.

FNTSY Sports Network will be available in free preview until October 31, 2015 and subsequently available in the Super Sports Pak, Extra Sports Pack and Sports Theme Pack, as well as on a discretionary basis. It can be found on channel 499 in high-definition (HD) and standard-definition (SD).

"Our distribution on Rogers, combined with our presence on other systems across the country now significantly expands FNTSY Sports Network to having a truly national footprint in Canada," said Leonard Asper, CEO of Anthem Sports & Entertainment Corp. "With football season right around the corner, the demand for 24/7 innovative fantasy sports coverage is greater than ever. We're answering the call with expert-driven, relevant and timely content that will engage viewers year round."

FNTSY Sports Network is designed from the ground up to inform, engage and entertain the more than 57 million enthusiasts who play fantasy sports annually and on a daily basis. The destination channel for fantasy sports players, its programming includes exciting live studio programming, call-in shows, expert panels, celebrity and expert drafts, reality programming and on-site commentary from sports venues, as well as short-form programming from the experts around the continent, providing fantasy sports discussion and analysis for football, baseball, basketball, soccer, golf, hockey, NASCAR and other sports.

FNTSY Sports Network is owned by Anthem Sports & Entertainment Corp., which is also the parent company of Fight Network, the world's premier combat sports television channel, already available on Rogers on channel 475 (HD) and 427 (SD).
