iPatientCare Announces National User Conference 2015, to be held November 6-7, 2015

Great User Engagement Event: iPatientCare National User Conference 2015

Woodbridge, New Jersey, September 3, 2015 -- iPatientCare, Inc., a pioneer in mHealth and cloud-based ambulatory EHR, integrated Practice Management and Patient Engagement solutions, announced today the much awaited annual event, namely, National User Conference (NUCON) 2015, to be held on November 6-7, 2015. iPatientCare NUCON concentrates on sneak preview of iPatientCare 2016, rich educational sessions and panel discussions, exhibition of platform partners' products and solutions, customer recognition awards, and great networking among users and channel partners over delicious food, wine and cheese.

iPatientCare NUCON is an event which puts product visionaries and users on the same platform. Kedar Mehta, CTO, iPatientCare described the event as the greatest customer engagement event of the iPatientCare and added enthusiastically, "We are delighted to have this opportunity to connect with iPatientCare community yet once again and immediately after the Halloween this year. As healthcare reforms push providers towards pay-for-performance and value-based payments, we enhance our technology, tools, and methodologies to help physicians, office managers, and their patients to enjoy the benefits of the reforms. I look forward to sharing the platform with our CEO, Udayan Mandavia in delivering the keynote and sneak preview of what iPatientCare users will experience in 2016."

Jackline Olivera, Pranav Patel, and Shripal Shah, part of the NUCON 2015 Organizing Committee beamed widely as they flung open their effort to get an exciting gift pack and wine & cheese baskets to all attendees and exhibitors just ahead of the event. Matching the enthusiasm exhibited by their CTO they further added, "iPatientCare National User Conference is one of the reasons why providers who selected iPatientCare EHR and Billing/RCM for more than a decade still continue to use it. We are proud to be part of a team which has grown and still continues to grow because of its obsession to stay customer-focused."

iPatientCare NUCON 2015 would host many of the leading solutions providers and iPatientCare platform partners, such as, PatientPay, Topaz Systems, PDR, CoverMyMeds, Transworld Systems and many more in their quest to provide a complete business solution to iPatientCare users.

About iPatientCare

iPatientCare, Inc. is a privately held medical informatics company based at Woodbridge, New Jersey. The company is known for its pioneering contribution to mHealth and Cloud based unified product suite that include Electronic Health/Medical Record and integrated Practice Management/Billing System, Patient Portal/PHR, Health Information Exchange (HIE), and mobile point-of-care solutions that serve the ambulatory, acute/sub acute, emergency and home health market segments.
