

ACA REPORTING

Online reporting of 1094 & 1095 ACA forms

PRINTING, MAILING & ELECTRONIC FILING

eFileMyForms provides the printing & mailing of recipient copies and the electronic filing of 1094 & 1095 ACA forms through our SSAE 16 SOC I Type II secure web portal. Simply import your 1095 records from an Excel file, or key them in, and place your order!

ERROR CHECKING & IRS TIN/NAME VALIDATION

eFileMyForms maintains a host of business rule validations to check for common errors that might otherwise cause IRS penalties! IRS TIN/Name validation can also be selected for further IRS compliance / penalty avoidance.

PDF COPIES & CORRECTIONS

PDF copies of tax forms are made available, and maintained on the site, after any order is placed. Clients can download PDF copies of individual tax forms or the entire order. eFileMyForms also allows users to create and file corrections for ACA forms originally filed through the site!

Pricing

Prices start at \$3.99 per form for our print, mail & electronic filing service. File your 1094 & 1095 ACA forms today!

CORPORATE SUITE

Software based 1094 & 1095 ACA reporting

THE ULTIMATE SOLUTION

1094 & 1095 ACA forms are now supported by the ultimate tax filing software, Corporate Suite. Microsoft's SQL Server® technology allows entities seeking to integrate large volumes of forms, form types, filing entities, and information requests regardless of whether you are filing 1094 / 1095's, 1099's, W-2, or 1042-S forms. The 1099 Pro Corporate is a one stop shop for all your printing, mailing and electronic filing needs.

The Corporate Suite software is uniquely tailored to the sophisticated needs of filing entities, which include: importing data from source files, customizable report generation, error/warning validations, tax form printing, electronic filing, corrections capabilities, secure web access, and a web API.

WORK WITH ACA FORMS ON THE WEB

Created with customer service representatives in mind, the 100% web-based 1099Pro.net interface allows immediate usage via internet or intranet. TLS 128 bit security. No software to install with access online through any internet browser!

HOSTING

Give your IT department a rest, use our SSAE 16 SOC I Type II hosting facility for optimum performance and security. For more information, visit www.1099pro.com/services.
