Who We Are

A pop-rock trio out of Phoenix, AZ called Color the Lion.

What We Do

The prime objective is to make feel-good music with a good message; not line our pockets or get famous.

We want to do what we are good at without feeling all skeezy about lyrical content and 'image'.

Overall, we just want to Play. Awesome. Music!

Our Music

Our debut EP, "1's & 3's", features five originals- Karma, French Toast, Planet Earth, Wait for Me, & Lover & a Friend. Watch our preview video on our Youtube channel to get an idea of our style.
