iPatientCare is Pleased to Welcome Netgain and Practice Insight® On Board as Sponsors at its National User Conference (NUCON), November 6-7, 2015

iPatientCare is Proud to Host Industry Leaders on National User Conference 2015 as Sponsors and Exhibitors at the Event.

Woodbridge, New Jersey, October 22, 2015 -- iPatientCare, Inc., a pioneer in mHealth, cloud-based ambulatory EHR, integrated Practice Management, and Patient Engagement solutions is glad to welcome Netgain and Practice Insight® aboard at the National User Conference (NUCON) 2015 as sponsors and exhibitors.

NUCON the annual event at iPatientCare provides a unique opportunity to help healthcare providers and their office staff to keep up with the evolving healthcare curve. It's a great forum for individuals from healthcare industry who utilise IT products and services on a day-to day basis. Each year, this event renders a platform that helps healthcare professionals to connect with experts, allowing them to discuss and learn about industry happenings, product enhancements, and emerging trends. All these efforts are invested to attain our holistic goal to deliver better outcomes, reduced costs, meaningfully via a combination of Education – Exhibition – Entertainment.

The educational sessions have especially been designed to cover all entities in a practice setting; thus focussing not only on Providers and Office Managers, but also on other staff members, including Front-desk staff, Clinicians, Billers, and Medical Assistants.

"We continuously strive to learn from our previous experiences to make each NUCON a memorable one. NUCON-2015 would be a grand start to the festive times ahead! It truly is our pleasure to have Netgain and Practice Insight® on board to supplement the value quotient of the upcoming iPatientCare National User Conference (NUCON) 2015." – Pranav Patel, General Manager, iPatientCare.

"Netgain is proud to be a part of the National User Conference 2015 (NUCON), celebrating five years of partnership with iPatientCare. We look forward to discussing today's healthcare IT solutions with iPatientCare users. Our services help healthcare organizations stabilize operating costs and improve business processes so focus can be put on providing quality patient care. We work to ensure practices remain productive, secure, and compliant." –Chris Johnson, Account Manager

"We have been working within the healthcare industry since 1977 which has given us an extensive understanding of physicians' practices and the HealthCare Revenue Cycle Process. We are pleased to have this strategic integrated solution with iPatientCare that will allow iPatientCare users to submit insurance claims, post payments, and verify eligibility directly from iPatientCare Practice Management System." said Jim Goerlich, Vice President of Sales, Practice Insight®.

About iPatientCare

iPatientCare, Inc. is a privately held medical informatics company based at Woodbridge, New Jersey. The company is known for its pioneering contribution to mHealth and Cloud based unified product suite that include Electronic Health/Medical Record and integrated Practice Management/Billing System, Patient Portal/PHR, Health Information Exchange (HIE), and mobile point-of-care solutions that serve the ambulatory, acute/sub acute, emergency and home health market segments.
