

EVERYTHING YOU THINK
YOU KNOW ABOUT
SUCCESS IS WRONG

MAYBE IT'S TIME FOR AN EDGY CONVERSATION...

DAN
WALDSCHMIDT
REFUSES TO LET YOU
ACCEPT BUSINESS
AS USUAL.

WHO IS DAN WALDSCHMIDT?

"You will find very few people in this world with more energy and better ideas than Dan Waldschmidt." — Jim L., President

Sure, he had a lawn mowing business at 12, but he turned his into a money-making machine (though he opted not to tell his mom about his increased profits).

He ran track like plenty of other kids, but he pushed himself to break his high school's mile record.

He got the usual entry-level job right out of college, but then he changed the sales process, earned millions of dollars for the company, and became CEO by the time he was 25.

These days, Dan is a world leading business turn-around strategist. A popular speaker. A #1 Best Selling author. And an ultra-runner.

Dan and his team help companies on 6 continents arrive at business-changing breakthrough ideas across more than 30 different business verticals. He's spent thousands of hours studying how ordinary people in business, math, sports, science and politics overcome obstacles and achieve outrageous success.

The Wall Street Journal calls his blog, Edgy Conversations, one of the top business blogs anywhere on the internet. He's been profiled in Vanity Fair, Forbes, Entrepreneur, Business Week, INC Magazine, Business Insider, and on dozens of radio programs all around the world. Hundreds of his articles on unconventional business strategy are read and shared by million of readers across the globe..

If you want to catch up with Dan, you'll probably need to lace up some running shoes and hit the road. He's the crazy dude running against traffic.

STAY EDGY. BE AWESOME.

Dan has spent thousands of hours studying more than 1,000 unlikely high performers. The stories he will share with you will leave you spellbound — and motivated to create an outrageous success story of your own.

Using powerful examples of real world triumph, Dan will share the defining qualities that drive ordinary people to achieve outrageous success regardless of the odds stacked against them — extreme behavior, disciplined activity, a giving mindset, and a human strategy.

You'll walk away from this experience with the exact same strategies that Dan uses to empower billion dollar companies to beat their competitors at the game of business. He calls it EDGY. You might just call it "being awesome."

DAN IS A #1 BEST SELLING AUTHOR

THE BEST MOTIVATIONAL READ OF MY LIFE!

"I read "EDGY Conversations" — every word of it — while on a recent Caribbean cruise. It shook me up, really tore me apart; to say it was gripping would be an understatement. Yeah, "EDGY Conversations" was the best motivational read of my life. Right up there with Napoleon Hill's "Think and Grow Rich". It stirred my blood like no other nonfiction book I've ever read, and I predict it'll stir your blood, too."

— **Robert Terson, Best Selling Author of Selling Fearlessly**
