

Cotton Yarn Dye COLOR-MIXING GUIDE

Discover how fun & easy it is to custom color cotton yarn!

DYE COLORS:

Tulip® Custom ColorLab™ Cotton Yarn Dye

WHAT YOU'LL NEED:

- Standard measuring spoon set with the following measurements:
 - 1/8 tsp.
 - 1/4 tsp.
 - 1/2 tsp.
 - 1 tsp.
- 4-oz. Mixing bottle
- Plastic table cover

TIPS:

- Thoroughly rinse out your mixing bottle before reuse
- Do not add water until you are prepared to apply dye
- Do not allow wet dyed yarn to rest on other items
- Always use gloves when working with dyes
- Make sure excess dye dust is removed from work area; it is invisible until it reacts with water
- Experiment with mixing your very own custom colors
- To ensure that all excess dye is thoroughly removed from yarn, rinse yarn under running water, zip tie, place in a mesh laundry bag and machine wash in cold water with a small amount of laundry soap

MIXING INSTRUCTIONS:

- Select the custom color from the recipe chart that you'd like to mix.
- Using your measuring spoons, add the specified dye amounts to an empty 4oz mixing bottle.
- Add water to your mixing bottle to the 4-oz. mark.
- Replace cap and shake until dye is fully dissolved.
- Your dye is ready to use! Follow general instructions in the kit for best results.
