### **iME Solutions Announces Distribution Partnership With ITT Goulds Pumps**

DENVER, CO, Nov. 3, 2015 – Industrial Machine & Equipment Solutions (iME), a [Cogent company](#), announces its partnership with ITT Goulds Pumps, making iME the official distribution partner for Goulds Pumps in Colorado, Eastern Wyoming and Montana. This announcement is the conclusion of ITT Goulds Pumps' search for a partner who consistently demonstrates the ability to serve their customers and maintain a high level of service for which Goulds Pumps is known.

iME represents industrial pump and process equipment manufacturers in the fluid handling and wastewater treatment industry. Along with six best-in-class partner Cogent companies, iME features extensive capabilities for municipal, commercial and industrial customers, delivering the personalized service customers demand and expect today.

"iME and other Cogent companies have over 170 employees working across eight states, so we are one of the largest distributors of fluid pumping, water and wastewater process treatment equipment in the Midwest and Rocky Mountain regions. Our hard-earned reputation for integrity, collaboration and getting results makes iME a logical sales and service partner for a leading manufacturer like Goulds Pumps," says Jim Coyle, iME's General Manager.

Goulds Pumps is a leading brand in the global pump industry, providing a wide range of flow control solutions for a wide range of industries. Both iME and Goulds Pumps share a commitment to solve challenges and provide customers with quick and cost effective solutions under the most harsh or stressful conditions.

"With iME, we have a distribution partner that will help build an even stronger sales channel for our customers in North America," said David Steblein, Goulds Pumps' VP and General Manager for Sales for the Americas. All media inquiries should be directed to Jim Coyle, General Manager, for more information.

**Industrial Machine & Equipment Solutions (iME)** was born of necessity. The oil & gas, petrochemical, water and wastewater treatment industry and manufacturers have serious expectations and urgent demands. The company delivers pumping process and equipment solutions that not only meet demand now, but also position its customers for tomorrow's technology and stress loads. iME offers unfailing service and support based on a 40-year history of getting to the bottom of difficult challenges.
