

POOL NATION FX – What's new?

Since its release in April 2015, Cherry Pop Games, and more recently the Steam community have worked tirelessly playing, testing and polishing this already shiny title. This document will provide a list of

What's New to Pool Nation FX:

- The file size on STEAM has been reduced to 2.2GB
- Loading times have been massively reduced – game loads quickly and smoothly
- Game is smoother and more polished, we have also updated the cameras to aid smooth transitions.
- New 96 table Pool hall lobby has been added to facilitate easy match making online The all new social hub of activity - the 'Pool Hall' the most exciting virtual Pool Hall you will find in a pool game, helping you find the right match quickly
- Massive improvements to the difficulty levels of the AI.
- Overhaul of the Snooker AI, to ensure safety play and adherence to all snooker rules
- Snooker cloth speed has been realistically implemented and centre pockets re-modelled
- The NEW collection is in - and collecting is fun: You compete to win, raise your profile and also your in game bank balance, but where do you spend it? There are cues, balls, decals, celebrations, locations and trickshot objects to spend your hard earned cash on. Your collection is yours to use, and there is a one stop shop in game to see what you've unlocked and what's left to collect.
- Endurance Mode achievements have been made easier, they are now 3mins, 6mins, 9mins and 12mins so the time to hit is shorter and more achievable
- Manual drop-stop has been implemented in Endurance Mode so the player has control when the drop stop happens (or auto drop-stop can be selected)
- A new Endurance HUD now clearly shows when the next ball drops.

- Characters have been added in game to add atmosphere
- Crowd sounds controlled by a slider
- More in game graphics controls
- Quicker to find online matches on Steam
- General reported bug fixes.
- Change game type in Practice - 8Ball, 9Ball and Snooker
- New intro sequence
- New VIP room

Want to know what's next for Pool Nation FX? Let's just say playing 1v1 isn't enough for Cherry Pop Games, we want to see bigger lobbies, taking social pool to a larger scale... watch this space.
