Idaho Machinery & Equipment Manufacturing Facility Assets Hit The Auction Block *Drill Pro, United Strategic Client Services to Conduct Live, Internet Event January 12*

December 21, 2015 (KANSAS CITY, Mo.) – The assets of one of Idaho’s largest drilling and mining equipment and machinery manufacturers will go on the auction block Tuesday, January 12 at 10 a.m. MST in Nampa, ID. Drill Pro International, Inc.’s owner is retiring and has commissioned United Strategic Client Services of Dallas, Texas to market and liquidate all of their state-of-the-art equipment and machinery via a live and online auction.

In addition to the equipment and heavy machinery, the auction will include vehicles, forklifts, welding machinery, drill bits, hammer wrenches, shop cranes, various tools and much more. Machinery and equipment highlights include a Mazak Powermaster Universal 3000 CNC Lathe 9.5" Spindle Bore, Mazak M5 CNC Lathe 6.5" Bore, Fadal VMC 6030HT CNC Vertical Machining Center, John Deere 24A Skid Steer Loader, Caterpillar v120 Diesel Forklift and Freightliner Columbia Meritor.

“After many years of operating a very successful manufacturing and servicing company for major drilling and mining companies, the owners of Drill Pro have decided to retire and sell all of their operating assets at absolute auction” said Mike Jones, auctioneer with United Strategic Client Services. “By offering live, on-site bidding and live internet bidding, anyone who meets our registration requirements may participate in the auction from anywhere in the world.”

The one-day auction is scheduled for January 12 with the doors opening at 8 a.m. at Drill Pro International Inc., 605 N 39th St, Nampa, ID. Preview is set for Monday, January 8 from 9 a.m. to 4 p.m.
