**stance**  
angle

## Natural way to energize your work day.

Experience freedom of motion with innovative angle chair technology. The Stance® angle is the only chair in the world that allows you to move effortlessly and comfortably throughout your workday. You will find yourself doing what comes naturally; moving.

Movement and support are the keys to remaining healthy, alert, and productive. The Stance® angle chair relieves stress on the spine and pressure on the tailbone caused by using most ergonomic task chairs.

The Stance® angle chair's effortless adjustment allows for an infinite variety of postures and positions.

### Ergonomic - Stylish - Practical

- Only sit/stand angle chair of its kind
- Contoured backrest fully supports the lower back
- Easily adjustable armrests for stress relief on shoulders and neck
- Precisely angled footrest for correct ergonomic support
- Adjustable leg cushion provides soft support at any angle
- Large swivel casters for easy moving
- Proudly manufactured in the USA
