Swiss Post Solutions Supports Local Community with Annual Toy Drive

As part of its active community involvement initiatives, Swiss Post Solutions (SPS), an innovative leader in business process outsourcing and digitization solutions, held its Annual Toy Drive to provide gifts for disadvantaged children in the New York City metropolitan area.

This year, SPS donated over 300 toys to the Harry H. Gordon Preschool/New York League for Early Learning (NYL), an award-winning early intervention and childhood education program that serves children from birth to age five. Swiss Posts Solutions' Chief People Officer, Russ Cusick said, "We are very proud to, once again, take an active role in supporting the Harry H. Gordon Preschool. Thanks to the generosity of our employees and clients, we can continue supporting organizations that truly benefit our community."

Beginning in November, SPS collected toy donations at its headquarters and reached out to its clients to encourage participation. Additionally, SPS held weekly internal events and ran a 50/50 raffle to raise funds, which were then used to purchase the new toys and books distributed to the children during the NYL holiday event.

The SPS Annual Toy Drive has grown every year through the enthusiasm of our employees and clients in supporting this meaningful tradition. Janet Tarzia, Vice President of Marketing and Communications, stated, "At SPS, we are committed to serving our community in a multitude of ways. The Toy Drive exemplifies the spirit of giving back, and is especially poignant to donate to the children in need."
