

## GOVCON TRAINING IN GUAM

# Sponsorship

**Marketing opportunities that demonstrate support for our contracting community.**

## Why Sponsor?

Sponsorship offers significant marketing opportunities while demonstrating your support for our contracting community. Your presence at our seminar positions you and your business as an authority in your industry in front of local new, emerging, and established contractors.

As a sponsor, your company will be supporting the community and contributing to its economic development. Your sponsorship allows us to offset the ticket cost of the seminar for our attendees. Keeping this price low assures more people will be able to attend and get the training and networking opportunities they need to be successful.
