### About Edvance360

Edvance360 is an Internet-based Learning Management System (LMS) and secure social network that enables institutions to implement a successful online learning program. Edvance360 equips schools, corporations, and organizations to host online courses, implement modular courses, and revitalize residential courses. Edvance360 was designed by educators for educators, with insight provided by many of the leading educational design experts.

Our clients enjoy a high return on their investment, personalized support, and customizable solutions. We do not believe a one-size-fits-all approach is beneficial to our clients, so we are committed to adapting Edvance360 to fit the needs of the rapidly changing world of education.

Edvance360 is headquartered in Virginia, with operations along the East Coast. For more information, please visit [www.Edvance360.com](http://www.Edvance360.com) or call 866-458-0360.
