Are you ready to differentiate your practice?

✔ Our Specialty

is helping dental practices grow through obstructive sleep apnea, TMJ, & orofacial pain treatment, and teaching practices how to successfully receive medical reimbursement for these services and others, including oral surgeries & implants.

✔ Our Philosophy

is that team-based, hands-on education, taught by experienced dental leaders is the key to success. We have a 27-year track-record of guiding practices in establishing rewarding services that will greatly improve the quality of their patients' lives.
