

Valentine's Day

Verse 1

It's almost Valentine's Day
I'm wondering out loud
What is love and
Why is it allowed?

Love is not for everyone
Love is sometimes elusive
Love can be found
Love can be effusive

If you find love, then you'll know that

Chorus 1

Love is real
Real is love
Love is kind
Kind is love

Love is gentle
Gentle is love
Love is pure
Pure is love

Verse 2

It's Valentine's Day today
The world is still round
Where is love?
Is it all around?

Love is all around today
True love is free
Love can be found
Love it is all around me

All around me, all around me

Chorus 2

Love is real
Real is love
Love is kind
Kind is love

Love is gentle
Gentle is love
Love is pure
Pure is love

Bridge

For Valentine's Day
I'll think about love no more

Chorus 3

Love is real
Real is love
Love is kind
Kind is love

Love is gentle
Gentle is love
Love is pure
Pure is love

Extro

On Valentine's Day
I think about love
Young or old
It's all about love

On Valentine's Day

I'll think about love
On Valentine's Day
I'll think about...
