

# TICKET SNIPERS

CALIFORNIA'S MOST EFFICIENT & EFFECTIVE LEGAL GROUP

## COMPANY BIOGRAPHY

*We have combined the resources of a corporate law firm with the passion and diligence of a small-town business owner to create the best legal company in the business!*

### **The Name**

Ticket Snipers, a *Latin* derived term for “eliminating a problem”. This is a core value for the team at Ticket Snipers as well as providing first class customer service with stellar results.

### **The Story**

Ticket Snipers, was founded in 2008 by a group of legal professionals in order to give California drivers a risk-free opportunity to contest their traffic violation without any court appearances. Serving clients throughout the entire state of California from its headquarters in San Diego. Ticket Snipers works with a variety of industry professionals in efforts of achieving the highest success rates in the business.

### **The Philosophy**

While each client is different and receives special consideration, our core principles remain focused on first class customer service with awesome results.

Ticket Snipers believes in authentic relationships, both between our legal team and our clients which has resulted in an elevated level of success founded on trust, openness, honesty, and a desire to deliver a better solution than any of
