CONSULTING MAGAZINE RECOGNIZES VERITY CONSULTING FOR DELIVERING VALUE
TO CLIENTS AND DISPLAYING EXCEPTIONAL GROWTH

Seattle, WA – Verity Consulting was presented this week with *Consulting Magazine's Seven Small Jewels* award. The award is given to a handful of remarkable firms that have displayed high revenue growth and extraordinary results. Last year, less than 4% of applying firms received an award.

“We’re honored to receive an award that recognizes Verity as one of the rising stars of the industry,” said Verity CEO Andrew Cukurs. “Our hard work and experience have delivered results for numerous clients, so it’s exciting to see our talented consultants earning industry recognition as well.”

Verity Consulting was founded in 2008 and has expanded rapidly. Last year, Verity grew revenue year-over-year by 81% to \$8.7 million. Companies of all sizes look to Verity for strategic insight and an ability to deliver on challenging projects.

Today, Verity offers deep expertise in six areas: Strategy & Value, Process Improvement, Change Leadership, Program Management, Product Innovation, and Technology Implementation. These competencies continue to fuel Verity’s rapid growth.

“Clients are yearning for more sophisticated support in navigating the disruptive forces hitting all industries,” Cukurs added. “We offer a tangible, technologically-enabled suite of services to enable our clients to achieve their aspirations.”

Cukurs feels optimistic for continued growth. “We’ve attracted a great team, and working together we continue to thrive. We’re making significant investments in scaling our model, and we’re already seeing positive returns.”
