

the patient's choice™

clearwave®

Patients Check-in Here

- Streamline workflow processes
- Increase point of service collection
- Shorten patient waiting room times
- Bi-directional interface with most EHR systems
- Targeted patient messaging to improve patient communication and net revenue
- Increase patient satisfaction
- Go green and reduce paper

Clearwave's state-of-the-art patient registration station tightly integrates to any PM or HIS including Allscripts, Athena, Compulink, Greenway, GE, NextGen, Cerner, McKesson, Meditech and others.
