

## FOR IMMEDIATE RELEASE

### CarlisleIT Announces Authorized Distribution Agreement with IS-Rayfast Limited

St. Augustine, Florida – February 17, 2016 - Carlisle Interconnect Technologies (CarlisleIT), a leading manufacturer of high performance interconnect solutions, today announced it entered into a fully authorized stocking distribution agreement with IS-Rayfast Limited, a distributor of electrical interconnect components, headquartered in the United Kingdom. With this agreement, CarlisleIT will further European Customer support and promotion of its RF wire and cable products globally, specifically BMS and DR Aerospace cable products.

Martin Lee, Director of Distribution Sales comments, "Having a stocking distribution agreement with IS-Rayfast demonstrates CarlisleIT's commitment to providing global support to our end users, and we believe IS-Rayfast is ideally positioned to partner with CarlisleIT in our mutual growth plan."

#### About Carlisle Interconnect Technologies

Carlisle Interconnect Technologies is one of the world's leading designers and manufacturers of high-performance wire and cable, including optical fiber. Since 1940, we have grown our product portfolio to include specialty and filtered connectors, contacts, cable assemblies, complex harnesses, racks, trays and installation kits. In addition to our vast product breadth, we provide our customers a higher level of support by offering engineering and certification services for the commercial aerospace, military and defense electronics, industrial, test & measurement, and medical industries. For more information visit [www.CarlisleIT.com](http://www.CarlisleIT.com).

#### About IS-Rayfast Limited

IS-Rayfast, part of Diploma PLC, is EMEA's largest high performance interconnect stocking distributor. Products include high performance wire and cable, electrical interconnect and electro-mechanical products, with specialist knowledge in the Aerospace, Defence, Energy, Industrial, Medical and Motorsport sectors. Established in 1987, IS-Rayfast has grown consistently over the years and is now a multi-million pound market leading organization. IS-Rayfast is able to offer a broad range of products from worldwide brand-leading manufacturers with complementary value-add services, thereby offering customers a one-stop-shop for all their high performance needs which is complemented by full technical support through experienced field sales teams and technical specialists.
