SikaBond® Remover: the new fast drying cleaner for hardwood floors

Lyndhurst, New Jersey – This month, Sika Corporation Interior Finishing Business is releasing its new cleaner for SikaBond® adhesives. Named **SikaBond® Remover**, this fast drying cleaner has low odor, leaves no residue and can clean up adhesives even after they have cured. Aside from urethane adhesives, **SikaBond® Remover** can be used to remove scuffs, gum, label, tape and oily stains from surfaces including wood floors, carpets, walls, plastics, glass and clothing. Find all related product information and more on sikabond.com.
