Central Coast Trial Lawyers Association Announces Trial Lawyer of the Year
Ranger Wiens of Harris Personal Injury Lawyers Selected as 2015 Winner

SAN LUIS OBISPO, CA – The [Central Coast Trial Lawyers Association](#) (CCTLA) has voted Ranger Wiens of [Harris Personal Injury Lawyers](#) as the 2015 Trial Lawyer of the Year. Each year, a winner is selected from a pool of nominated trial lawyers on the Central Coast who achieved notable trial successes.

The CCTLA is dedicated to assisting all members of the public with their legal affairs, with the underlying mission of protecting the rights of consumers through the judicial process. Members of the CCTLA nominate one another for Trial Lawyer of the Year and a panel of attorneys reviews the best trial verdicts and vote on a winner.

This year, the CCTLA was specifically impressed by Wiens' victory in the case of *Renfro v. California Mid State Fair*, in which the plaintiff was injured by a bucking bronco that kicked through a fence. This was a challenging case since the defense team argued that the injury was the plaintiff's fault. Ultimately, the jury sided with Wiens' arguments and awarded the plaintiff a substantial financial award for her injuries.

"No one knows when they are going to need a lawyer," said Wiens. "There needs to be lawyers out there who will go to bat for them when misfortune strikes."

Ranger has worked for Harris Personal Injury Lawyers since 2013, following four years as a trial lawyer for State Farm Insurance. In the last two years, he has done more jury trials on the Central Coast than any other plaintiff's lawyer. Ranger was named runner-up in the 2014 Trial Lawyer of the Year selection process.

Harris Personal Injury Lawyers has seven offices across the state. Despite the firm's size, Harris strongly values their connection to the local community. They are proud to live, work and raise their families on the Central Coast and recognize their clients as neighbors and fellow community members. Learn more at harrispersonalinjury.com.

###

Harris Personal Injury Lawyers is a personal injury law firm with seven locations across California. Harris Personal Injury Lawyers are proud members of Consumer Attorneys of California and have achieved the highest possible AV Rating for ethical standards and legal ability among California personal injury lawyers. Founded on the principal that injured persons and their families should have access to the same quality legal representation as large insurance companies, Harris represents people injured by auto accidents, dog attacks, defective products and similar injuries caused by the negligence of others.
