NECC Supports Fisher House Foundation

National Energy Control Corporation (NECC), a leading commercial/industrial HVAC distributor, announces its fundraising initiative for Fisher House Foundation. The Fisher House program provides a "home away from home" for families of patients receiving medical care at major military and VA medical centers. The homes provide temporary free lodging so families can be close to their loved ones during a medical crisis.

Havertown, PA, March 10, 2016 - National Energy Control Corporation (NECC), a leading wholesale distributor of commercial/industrial HVAC parts and supplies, announces their fund raising efforts for Fisher House Foundation. Fisher House Foundation is best known for a network of comfort homes where military and Veterans' families can stay at no cost while a loved one is receiving treatment. These homes are located at major military and VA medical centers nationwide, and in Europe, close to the medical center or hospital it serves.

From March 1 through June 1, 2016, NECC will donate 2% of each sale from every order placed at online via necc-controls.com to Fisher House Foundation. To participate in this initiative, customers can simply place an online order at <https://necc-controls.com> and NECC will process the donation.

"NECC is proud to lend our support to Fisher House Foundation," said Mark McGann, NECC Vice President. "Fisher House Foundation provides a great service to families of the people who served protect our freedom."

About Fisher House Foundation

Fisher House Foundation is best known for a network of comfort homes where military and Veterans' families can stay at no cost while a loved one is receiving treatment. These homes are located at major military and VA medical centers nationwide, and in Europe, close to the medical center or hospital it serves. Fisher Houses have up to 21 suites, with private bedrooms and baths. Families share a common kitchen, laundry facilities, a warm dining room and an inviting living room. Fisher House Foundation ensures that there is never a lodging fee. Since inception, the program has saved military and veterans' families an estimated \$320 million in out of pocket costs for lodging and transportation.

Fisher House Foundation also operates the Hero Miles Program, using donated frequent flyer miles to bring family members to the bedside of injured service members as well as the Hotels for Heroes program using donated hotel points to allow family members to stay at hotels near medical centers without charge. The Foundation also manages a grant program that supports other military charities and scholarship funds for military children, spouses and children of fallen and disabled veterans. Visit <http://www.fisherhouse.org> for more information.

About National Energy Control Corporation

National Energy Control Corporation (NECC) is an authorized wholesale distributor of over 200,000 parts and controls for commercial/industrial HVAC systems.
