

VETS HELPING VETS & FIRST RESPONDERS

A Superior Air Conditioning Company is owned by Iraq War vet Jimmy Thorpe.

"We started the *"Vets Helping Vets"* AC giveaway a little over a year ago in 2015," says Jimmy, a veteran himself. "In 2016 we're expanding the program to allow first responders to apply for the giveaway because like our military, they have hearts of service." It made sense as a natural way to grow the program, he added, since many retired military continue into service related fields like law enforcement and first aid. "I'm blessed to have the support of Beachy Beach Real Estate and Harley-Davidson who has helped promote the program to their customers."

Visit ASuperiorAC.com and register to win a complete heat and air system.

Deadline for next entry is April 1st, 2016.
