

The Customer Experience Certificate Program at Rutgers

Customer Experience is a means to an end. It is a strategy for sustaining a competitive advantage. When it comes to Customer Experience, you aspire to stand out from the others; you aim to be better and more valuable than your competition. Reaching this level of dexterity may have seemed out of your grasp. Until now.

Rutgers: The professional learning experience that “gets you there”

The Customer Experience Certificate Program at Rutgers is a hands-on, 4-day immersion program where you learn to apply principles and techniques that drive Customer Experience innovation. Roll up your sleeves to solve real-world challenges and use practices developed by top companies, while Customer Experience experts and professional instructors guide you through every step. Throughout the program, you continuously build your toolset and develop your unique, personalized Customer Experience Portfolio.

- Develop strategies applying to your business.
- Break through silos to bring your organization together on behalf of your customers.
- Eliminate barriers and develop a customer-centric innovation mindset.
- Gain customer insights and turn ideas into action.

Faculty: Industry leaders, professionals and educational experts

You gain direct access to the world-renowned Rutgers Center for Innovation Education faculty. They are industry leaders who practice the art of Customer Experience every day. Learn more about our exceptional faculty at cx.rutgers.edu

Program Summary

No other program delivers like Rutgers University. You're broken away from the daily routine; immerse yourself in real-life challenges, expert thought leadership, strategy sessions, innovation frameworks, and customer experience cultures. Learn more details about the Customer Experience Certificate Program at Rutgers, including takeaways and learning objectives, at cx.rutgers.edu.

MODULE 1: PRINCIPLES OF CUSTOMER EXPERIENCE

Learn what makes today's Customer Experience Leaders better, different, more profitable and longer lasting in the new age of the customer experience economy. They redefine industries, invent new ones, marginalize and eliminate competition, deliver extraordinary customer experiences and rise to the top, leaving others in the dust.

- Learn how the "Experience Makers" define customer experience.
- Discover compelling interactions that become the economics of experience.
- Explore the lessons learned by new experience companies and big brands, their successes and failures.

MODULE 2: INNOVATING CUSTOMER EXPERIENCES

Gain insights, inspiration and ideas for your company by understanding how innovating Customer Experience really happens at leading customer experience companies.

- Define Innovation from a business perspective: Ideas – Invention – Innovation.
- Learn the best practices that have worked for Customer Experience leaders.
- Understand what affects the determining, developing and delivering of effective experiences.

MODULE 3: YOUR CUSTOMER EXPERIENCE STRATEGY

Learn why skillfully executing customer experience strategies lead to enormous rewards. When integrating customer experience into business strategy, you'll achieve higher customer engagement, reduced churn, increased revenue, and greater employee satisfaction.

- Discover the elements that comprise an effective and strategic customer experience plan.
- Develop and discuss a clear customer experience vision for your own organization.
- Create the critical goals and roadmap to help reach your customer experience vision.

MODULE 4: THE NEW CUSTOMER EXPERIENCE JOURNEY

Customer Experience Journey Maps are strategic and fundamental tools for experience analysis, planning, management, and innovation. In fact, they are arguably the most important instrument for capturing your customer's true interactions, emotionally and cognitively, with your company's brand.

- Develop insightful customer personas and stories that promote cultural empathy and impact decisions.
- Identify critical customer views of interactions throughout multi-channel touchpoints
- Use journey maps to capture experiences and emotions, and to innovate on behalf of your customers.

MODULE 5: PRINCIPLES OF CUSTOMER RELATIONSHIP BUILDING

Customer Experience is multi-faceted and relies on the strong relationships you build with your customers. Use the Customer Relationship Development Model to identify and define core elements to build relationships and improve overall experiences. Through collaboration and ideation, you create a maturity matrix specifically for your business.

- Apply modern ideation and relationship building models.
- Develop your own Customer Experience based Customer Relationship Maturity Matrix.
- Discover essential elements and apply the Technology Framework for CRM and Customer Experience.

MODULE 6: CUSTOMER EXPERIENCE FUNCTIONAL ALIGNMENT

Show the value of customer experience strategies and programs and tie the benefits directly to business operations and profits to ensure success. Collaborate with peers and organizations to implement programs that benefit your customers while maintaining financial and operational commitments.

- Assess the value of customer experience in connection to nine foundational business building blocks.
- Eliminate program silos and break down barriers.
- Establish Customer Experience Advisory and Leadership models that align to business growth.

MODULE 7: ACCELERATE & IMPROVE DECISIONS WITH DATA

Customer Experience initiatives fizzle quickly if you don't connect the dots between your customers' perceptions, touch points, service delivery, cost savings and ROI. Customer churn rates, share of wallet, Net Promoter Scores, average handling times, and cost of acquisition, can and need to tie to your bottom line.

- Explore leading practices that drive ongoing business improvements.
- Link customer perceptions with operational costs and profitability.
- Discover the most relevant, actionable metrics for your organization to drive desired business results..

MODULE 8: CUSTOMER EXPERIENCE IN YOUR ORGANIZATION - NAVIGATING POLITICS OF CHANGE

Change is hard, people are resistant and the market is becoming more fiercely competitive every day. Organizations must quickly evolve or be left behind. It takes a special leader to navigate these waters and get your entire organization marching to the same drummer. Arm yourself with these indispensable leadership skills.

- Discover how to drive adoption across your entire organization.
- Successfully jumpstart your role by gaining quick wins, and bring others along with you.
- Become a successful change-agent for experience-first thinking and inspire change..

Distinguish Yourself as a Leader... with Your Certificate from Rutgers

Your Rutgers University Customer Experience Certificate provides you the differentiating factor. It proves that you have completed all modules as well as the cumulative Capstone Project. You walk away with confidence and your own, professional Customer Experience Portfolio. For those interested in academic graduate credit, a 3-credit course waiver is available towards your MBS degree.
