

TWIN Adds Hadassim Tours of Israel to its Network

April 2016: TRAVELSAVERS Worldwide Independent Network (TWIN), a global travel management company, welcomes Hadassim Tours of Israel to their roster of TWIN members. Hadassim Tours, a Utravel Group member, is a leading corporate travel management company located in Tel Aviv, Israel. They specialize in travel solutions ranging from basic end-to-end trips to customized one-of-a-kind intricate itineraries for all types of budgets.

Hadassim Tours Myrtle division offers corporate groups incentive programs that create a unique experience for employees. They manage the project from start to finish including building concepts, program content and activities.

In addition, Hadassim Tours specializes in hosting tourist groups interested in exploring Israel and looking to create a one-of-a-kind experience. Another area of specialty is a comprehensive urgent care medical assist program for travelers injured overseas. The highly trained and experienced "Medical Air department organizes everything from special seating, equipment such as stretchers and oxygen tanks and other medical supplies transportation and more.

"Hadassim Tours is a perfect fit for TWIN. The company values and brand accompanied by the leadership and management team is a winning relationship that will positively impact all of our TWIN members," says Rick Mazza, President and CEO of TRAVELSAVERS Worldwide Independent Network. "Their passion for travel and commitment to professionalism, personal service and care allows them to offer creative travel solutions for all types of travelers."

"We have increased our client base year-over-year and our ability to foster strong relationships with our partner companies is echoed by a measure of this growth," says Yaniv Kesten, General Manager, Hadassim Tours. "Partnering with the TWIN network enables us to continue to deliver a superior product and further our earning potential."

Hadassim Tours was founded in 1979 and prides itself as an innovative partner with the ability to create valuable relationships in the travel industry. Additional services include medical programs, urgent medical care, incentive trips, tailor-made programs, business travel, policy-making and supervision and more.
