

THE FUTURE OF SUGAR IS HERE

# Next<sup>TM</sup> Low Glycemic sugar

Next<sup>TM</sup> sugar is made of 100% all natural cane. Our unique combination of ingredients naturally and safely blocks the absorption of up to 50% of the sugar! Finally you can enjoy the natural sweetness of real sugar guilt free.

- Non-GMO
- Kosher
- Use just like sugar
- Tastes as sweet as sugar
- Use in baking, cooking, or as a sweetener

**Ingredients:** Natural cane sugar and Pectin sugar

**Directions:** Use as you would normal sugar

## NEXT LEVEL ADVANCES:

Years of revolutionary research has led to our development of a unique all natural sugar combination which is less absorbed by the body than with regular sugar. This proprietary blend helps maintain healthy blood sugar levels when consumed in place of common sugar.
