ACS SOLUTIONS, INC. TO ACQUIRE GEPCO® BRAND FROM GENERAL CABLE CORPORATION (NYSE:BGC)

SUWANEE, GEORGIA, APRIL 20, 2016 — ACS Solutions, Inc. a Veteran-Owned Small Business (VOSB), is pleased to announce that it has entered into a definitive agreement with General Cable Corporation (NYSE: BGC) to acquire the **Gepco® Brand** of high-end broadcast cabling solutions. **Gepco® Brand** is one of the most well-known and respected brands in the professional broadcast industry with an outstanding reputation for unsurpassed quality and performance.

The Gepco line provides a complete offering of professional broadcast, entertainment and audio/visual cable; cable assemblies in both standard and custom configurations; interconnect and cable-related accessories; as well as a full line of optical fiber solutions.

"We are very excited to have the opportunity to acquire the **Gepco® Brand**," said **Dave Fox**, President and CEO, ACS Solutions Inc. "Gepco products and custom solutions fit seamlessly within our portfolio of products and services and will significantly enhance our company's plan for exponential growth."

"General Cable is pleased to know that the Gepco Brand name will continue to live on in the broadcast market under ACS's leadership," said John Weiler, Vice President & General Manager, North America Communications Products, General Cable. "We recognized that an acquisition of this business by a manufacturer like ACS who is focused on this market could maximize the brand's value."

ACS Solutions, with the addition of the Gepco Brand, looks forward to providing its broadcast customers with unparalleled customer service and industry leading response times, as well as continuing the brand's reputation for quality and performance. For more information regarding this acquisition, contact Dave Fox at 813.310.1321 or dfox@acssolutions.com.
