(\* ) Hosted Employee; defined as (i) all full-time, part-time, temporary employees, and (ii) all of agents, contractors and consultants, who have access to, use of, or are traced by, the programs. Not the actual number of users.

## Add-ons HCM Cloud Module Services

<b>TALENT REVIEW</b>	Automates the manual and labor intensive talent review board preparation phase and takes the talent discussion to the next level through an interactive dashboard.
<b>ABSENCE MANAGEMENT</b>	Configurable and flexible global solution that enables organizations to manage absences of workforce
<b>TIME &amp; LABOR</b>	Rules-based time recording and management application. Time and Labor fully integrates with Oracle Fusion Global Human Resources, Oracle Fusion Absence Management, Oracle Fusion Global Payroll, and Oracle Fusion Project Costing and supports calendar-based time entry and a fully configurable time card.
<b>SUCCESSION PLANNING</b>	Provides a structured solution for creating and editing succession plans, either by job/position or by incumbent, to mitigate risk and provide succession solutions for critical jobs or people within the organization. The Succession Management product also provides a structured solution for creating and editing talent pools; organizing talent pools into common groups for assignment of goals, tracking, and management.
<b>ONBOARDING</b>	Proactively monitor the onboarding process and reduce bottlenecks to ensure new hires have everything they need on their first day
