OMNIFORCE™ KNEE STABILIZER, KS-700

The Omniforce™ Knee Stabilizer features steel springs and premium flat knit that helps to provide comfortable lightweight stability

Features

- Steel springs help support both sides of the knee
- Gel support buttress
- Premium flat knit construction helps provide lightweight, breathable focused compression and support for knees
- Antimicrobial treatment helps control odors.*
- Not made with natural rubber latex

Support Level: advanced

*The antimicrobial treatment is intended to protect the brace against odor, staining and deterioration caused by bacteria and microorganisms. This treatment does not extend protection to the skin.
