OrthoPediatrix Corp. Announces Expansion into Japanese Market

WARSAW, Indiana, May 11, 2016 — OrthoPediatrix Corp. is pleased to announce its expansion into the Japanese market. The Company recently received regulatory clearance for its RESPONSE™ Spine System for use in pediatric and adult patients in Japan. The RESPONSE™ Spine System was launched in the US in 2015. The system features low profile screws, simple rod reduction and de-rotation instrumentation, and increases OR efficiency.

To further support this new market, OrthoPediatrix has entered into an exclusive agreement with Japan-based Robert Reid Inc., to distribute OrthoPediatrix devices.

Dave Bailey, OrthoPediatrix' Executive Vice President, said, "Our expansion into the Japanese market, and subsequent partnership with Robert Reid represents OrthoPediatrix' commitment to being the end-to-end provider of pediatric orthopedics solutions around the globe. Our ability to partner with world-class distributors and their customers, along with our growing portfolio distinguishes OP as the orthopedic company with the broadest reach and most innovative product line in our industry".

"OrthoPediatrix' dedication to pediatric patients and physicians is extraordinary," said **Mason Mark**, Director of Technology & Business Development at Robert Reid. "We are tremendously excited to bring OrthoPediatrix' Spine products to surgeons and patients in Japan."

About OrthoPediatrix Corp.

Founded in 2006, OrthoPediatrix is the only orthopedic company focused exclusively on providing a comprehensive product offering to the pediatric orthopedic market in order to improve the lives of children with orthopedic conditions. OrthoPediatrix currently markets 17 surgical systems that serve three of the largest categories within the pediatric orthopedic market. This offering spans trauma and deformity, complex spine, and ACL reconstruction procedures. OrthoPediatrix also has the only global sales organization focused exclusively on pediatric orthopedics and distributes its products to 29 countries outside the United States.

About Robert Reid

Robert Reid Inc. is a privately-held Japanese corporation headquartered in Tokyo. The Company imports and distributes a diverse range of surgical products from the United States and Europe. Robert Reid also designs and manufactures its own original orthopedic surgical products.
