Hawthorne Cat Announces New Level 1 Operator Training Courses

Cat Certified Programs Provide Classroom and Stick-Time Training

San Diego, CA – – Hawthorne Cat, the exclusive Cat® equipment dealer in San Diego, the Hawaiian Islands and the Pacific Region, announces upcoming Level 1 Operator Training courses for entry-level equipment operators in San Diego. Ron Lyons, Hawthorne Cat Certified Dealer Instructor, will offer classes on Cat Wheel Loaders, Backhoe Loaders, Skid Steer Loaders, and Excavators.

The in-depth courses consist of classroom instruction, simulator training, hands-on practice, and stick time. Participants will learn safety, maintenance, equipment inspections, and basic operating procedures in a variety of applications. The one-day session is designed to help operators achieve a higher level of proficiency. Graduates from the course will receive a certificate of completion and a verification card that qualifies them to work on any government job or construction project.

According to Ron Lyons, “The success of your business depends on the quality of your operators. We’ll help you improve productivity, increase safety, and reduce maintenance costs.” Lyons concludes, “Our Level 1 Operator Training courses are open to all skill levels, and curriculum and schedules can be customized to meet your unique needs.”

Visit the Hawthorne Cat website to register for upcoming training courses in San Diego. Seating is limited to six participants per session. Advanced courses are available upon request. Contact Ron Lyons at 858.674.7047 or rl Lyons@hawthornecat.com for more information.

About Hawthorne Cat
