Custom Dispensing Systems and Supplies

RedDot Brands • 300 Wengel Drive • Reedsburg, WI 53959 • 844.788.9564 • reddotbrands.com

Gone are the days of boring dispensers.

RedDot Brands is here to challenge “business as usual” and give you a whole new experience in sanitation and hygiene. Why settle for just a handful of options? With RedDot Brands, the sky’s the limit with nearly limitless option and color combinations to leave your company’s mark.

The core of what RedDot Brands stands for is built around five universal business needs:

Image

We help your company’s image by offering high-quality products that get noticed.

Health & Hygiene

Our dispensers are designed to significantly reduce the risk of cross-contamination.

Productivity

We want to make your life easier by offering products that maximize worker productivity.

Sustainability

Our products are certified with sustainability in mind and are designed to limit waste.

Cost

We offer systems and consumables that often reduce costs by up to 30% without sacrificing performance.

Our Heritage

RedDot Brands stems from nearly 100 years of design and manufacturing excellence. We have the knowledge and experience to provide you with quality, reliable products that will stand the test of time.

RedDot Brands serves these markets, and more!

Education

Healthcare

Lodging

Foodservice

Commercial
Buildings

Get your custom or standard configuration dispensers in just 3 easy steps!

Step 1.

Send us your high-resolution logo file via email or FTP.

Step 2.

We send you a proof of your label artwork to approve.

Step 3.

Dispensers are shipped to you with no minimums or freight charges in as little as one week!

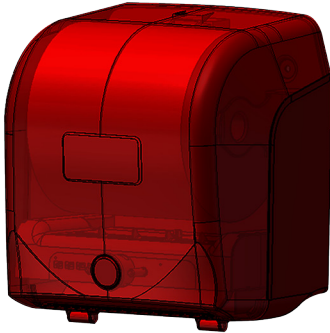

Leasing

Our 3-year leasing program brings you custom dispensers with very little cost. All lease agreements include a 5-year warranty serviced by RedDot Brands.

Custom Molds

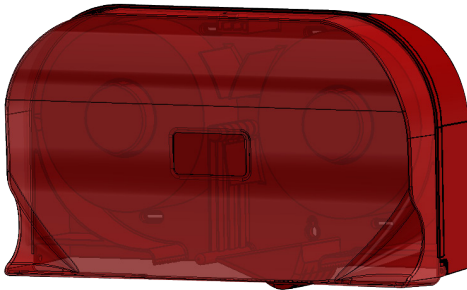

For non-standard, custom dispenser molds there is a minimum of 500 units per style – that's it! Once your order is submitted, you will work with our team of in-house engineers to create your custom design. After the art is approved, your dispensers will be manufactured at our wholly-owned plant in China and will be shipped to you within 8-10 weeks. We manage the entire process to make it easy for you!
